

NEED A LITTLE HELP?

We Have Down Payment Assistance Programs

Saving for a down payment can be the biggest obstacle you face when purchasing a home. That's why we offer **down payment and closing cost assistance programs**. These programs could give you a helpful cash buffer for other expenses, like the home inspection and home repairs. Taking advantage of these programs may allow eligible borrowers in approved areas to:

- **Get discounted private mortgage insurance**
- **Choose a 30-year fixed rate loan**
- **Move into a new home more quickly**

*Income limits and other restrictions may apply.

Think you don't have enough saved to buy a home? Call me - let's explore your options!
